MEMBER OF CONGRESS
12TH DISTRICT, NEW JERSEY

May 13, 2019

Greetings! I am writing in celebration of the 20th World Falun Dafa Day as well as the 27th anniversary to the introduction of Falun Dafa. This is a momentous day for one of the world's most popular meditation practices.

Falun Dafa has guided millions of people in a multitude of countries across the globe under the principles of truthfulness, compassion and tolerance. In New Jersey, the practitioners have been spreading the moral philosophy and message of peace, spirituality, and physical and mental wellness. This beautiful, traditional practice is deeply rooted in Chinese culture and has brought together many in our community.

Now, more than ever, must we remind ourselves of the importance of humanity and kindness.

As the elected Representative of New Jersey's 12th Congressional District, I hope the inspiring supporters of Falun Dafa take pride in this celebration and the positive impact you seek in this world. Please accept my sincere congratulations on this worldwide celebration.

Congratulations and God Bless.

Sincerely,

Bonnie Watson Coleman
