Dear Falun Dafa Practitioners:

Congratulations to all those celebrating World Falun Dafa Day on May 13th, and the 30th anniversary of the introduction of Falun Dafa to the public!

This peaceful, spiritual practice, which highlights the values of truthfulness, compassion and tolerance as a guide for daily life, has benefitted millions of people around the world who have made Falun Dafa a part of their lives. I am especially glad that the United States has been a source of support and hope to Falun Dafa practitioners worldwide, and that in our own State of New Jersey, the practice continues to thrive.

I wish you continued success in promoting the practice of Falun Dafa within our State and our community, and commend you for your peaceful commitment and dedication to bringing full awareness of its history.

Sincerely yours,

Kurt Peluso
Mayor
