New Jersey Falun Dafa Association

On behalf of the people of Fanwood, I congratulate you and the community of Falun Dafa practitioners on the celebration of World Falun Dafa Day!

Falun Dafa, as a peaceful spiritual practice rooted in traditional Chinese culture, numbers millions of adherents throughout the world, including New Jersey

Because the practice is intended to improve health, uplift spirits and contribute to world peace I am delighted that this practice has found a home in our state and in our community, and that Falun Dafa continues to thrive.

Many thanks for the good work that you do in advancing this practice and continued good luck to you in the future.

Sincerely,

Mayor Colleen Mahr
