MAYOR
HILLSIDE, NEW JERSEY

May 13, 2022

Dear Falun Dafa Practitioners:

On behalf of the Hillside community, it is a pleasure and honor to congratulate the New Jersey Falun Dafa Association on celebrating World Falun Dafa Day!

Rooted in ancient Chinese tradition, it consists of moral teachings, meditation, and four gentle exercises that are a unique and highly effective way to improve one's health and energy levels.

From its origin in China 30 years ago, Falun Dafa communities have endured, preserved, and flourished peacefully. Falun Dafa is widely celebrated in over 80 countries in public and private communities.

We encourage people of all ages and backgrounds to participate in this celebration and learn the philosophy of physical and mental health improvement.

Thank you for your continuous positive outreach over the years. We wish you a memorable celebration on your monumental 30th anniversary.

Best Wishes,

Dahlia O. Vertreese
