Dear Friends:

I am honored to welcome the internationally renowned Shen Yun Performing Arts to Newark, New Jersey. I am glad Shen Yun Performing Arts, one of the world's premier classical dance and music companies, will be returning to the New Jersey Performing Arts Center (NJPAC) on its 2025 World Tour.

It is with great pleasure that I commend Shen Yun for bringing to life China's rich history and culture through the universal language of music and dance. Shen Yun inspires and educates people around the world with its stellar performances. Diversity has always been a strength of New Jersey as we interchange cultures and create an inclusive environment from which we all benefit.

I welcome Shen Yun Performing Arts to the 10th Congressional District for yet another successful showcase. I am thrilled to know that both my constituents and others will experience such an educational and exhilarating performance.

Sincerely,

A handwritten signature in blue ink that reads "LaMonica McIver".
