Dear Friend:

The Essex County Board of County Commissioners is proud to welcome Shen Yun Performing Arts back to the New Jersey Performing Arts Center in Newark for its 2025 performances, running from April 30 to May 4.

Shen Yun revives 5,000 years of traditional culture through the universal language of music and dance. The company's internationally acclaimed production offers a thrilling experience of beauty, energy, and grace, complete with dazzling costumes, animated backdrops, aerial techniques, and a unique orchestra combining East and West instruments.

Essex County is full of diverse, vibrant, and inspiring cultural and artistic achievements, and we are thankful to include Shen Yun among them. Your beautiful performances and compelling stories enrich our community.

Congratulations on your 2025 tour. We wish you joy and success this year and for many years to come.
