Essex County Executive

April 2025

Dear Friends:

Congratulations to Shen Yun Performing Arts as they return to Essex County and the New Jersey Performing Arts Center in Newark!

Your high-energy and complex performance is an awe-inspiring production that brings to life 5,000 years of Chinese culture and history through music and dance. There are many elements that contribute to the dynamic presentation: Folk and ethnic dances, a live orchestra, animated backdrops, brightly colored and elaborate costumes, and original choreography and musical scores. All of this has great impact on the audience. Each year the pageantry, presentation and energy reach higher and higher levels.

Shen Yun has graced many of the finest stages in the world over the past 19 years, and it is an honor to have you return to NJPAC from April 30th to May 4th as part of your 2025 tour. Our population of more than 800,000 is very diverse and it always is a special occasion when we are able to raise awareness about the different segments of our community.

We look forward to another great series of shows and wish the troupe the best of luck on another successful tour.

Sincerely,

Joseph N. DiVincenzo, Jr.
