Dear Friends:

I am honored to join you in celebrating World Falun Dafa Day on Monday, May 13<sup>th</sup>.

It was first taught publicly in 1992 by Master Li Hongzhi, but the Chinese cultural the practice quickly grew in popularity and is practiced by tens of millions of people around the world. I think we can all find guidance in the foundations of the practice: truthfulness, compassion, and forbearance.

The practice seeks to help its followers improve their health, purify their minds, uplift their spirits, and bring unity through meditation and exercise. Falun Dafa is practiced regularly in New Jersey in Parks, senior centers and more as a part of people's daily lives.

I encourage you to spread to positive message of Falun Dafa as you celebrate the 20<sup>th</sup> Annual World Falun Dafa Day in the Garden State.

Sincerely,

W. Reed Gusciora  
Mayor City of Trenton
